

Trek Part

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to providing new design concepts and top quality so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like providing items which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of staff likes new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements together with their understanding of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

The employees at TREK and their dealer-partners are really devoted to having both parts and technical support available when it is needed. Their high service commitment is amongst the core values in their customer service. Keeping their customers' cleaning equipment functioning and ready day after day is top priority. The company's top of the line technology delivers dependable machinery which eventually lessens your cost of cleaning. The product, the price and the service all work together to make them the leader in the industry.
